PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

Have you ever dialed Belle Glade on your phone and all you got was a sound something like a saw mill? Such a sound has been the order of the day here of late. I've got a lot of suggestions to offer the telephone company in regard to better service in the Pahokee-Canal Point-Belle Glade area. I may wait until after Christmas to tell them, but, there are a lot of kicks that certainly ought to be straightened out. Cost of telephone service here is as high or higher than almost any place else in the state and the service just isn't what it should be.

Want a Christmas tree? Robert Mackey will have a truck load of trees in Pahokee a week from tomorrow—Saturday, Dec. 14, to be exact. Robert has made arrangement for a load of Georgia cedars so get in touch with him and order yours now! There's nothing like a Georgia cedar for a Christmas tree. They stay green a long time.

Legion Halts Plan For New Building

Members of Fred and Percy Mansfield Post 90, at a joint meeting with the Legion Auxiliary in the Woman's Club building Monday night, decided to hold up their plans for building a new Legion home until they receive a clear title to the lot to be used as a building site.

Commander Edward A. Jensen appointed Melvin Spooner chairman of the membership committee. Adjutant Claude S. Jones reported Post 90 now has 201 members in good standing. At the meeting Everett Baldwin, G. C. Hitchcock, Dr. Roland Long and Louis Lowery were received as new members.

During the social hour which followed the meeting refreshments were served by members of the auxiliary.

Ed Butler Named South Bay Mayor

Ed R. Butler was elected mayor of South Bay with a vote of 105 over W. M. Jeffries, incumbent, who polled 87 votes. Oneal Walker and J. Carroll Warren, both World War 2 veterans, were elected to council, as was S. J. Fisher, incumbent. A field of six candidates sought the three offices. Walker polled the high vote of 130. Fisher had 122, Warren, 85; C. E. Crichfield, 69; A. E. Barnes, 68 and W. G. Bowen, 59. The latter two sought reelection.

CUB SCOUT MEETING

A Cub Scout Pack meeting will be held tonight at 7:30 o'clock in the Lions club building in Pahokee, according to an announcement by John D. Rogers. All cubs, prospective cubs and their parents are urged to be in attendance.

Dr. Claude Hicks of Lake Worth, district deputy governor of Lions International, and city officials of Pahokee and Belle Glade were guests of honor at the Tuesday luncheon meeting of the Pahokee Lions Club. Lair of Pahokee; Mayor George Taylor, City Manager Henry Earwood and Police Chief W. H. Cochran of Belle Glade; Frank Clark, president, and Oliver Fournier a member of the Lake Worth Lions Club.

Marshall Lair told of plans for organizing a Pahokee Chamber of Commerce with an executive secretary to be hired at a salary of \$4,200 a year. He said the sum of \$1,200 has already been pledged to the secretary's salary and asked the Lions for their support.

It was reported that the club received \$139.55 from its Thanksgiving eve turkey raffle. A joint meeting with the Pahokee Rotary Club in the Baptist Fellowship Hall on Thursday, Jan. 23 at which a Florida Chain of Missions speaker will be featured on the program, was announced. Extra Time For Christmas Vacation

School children will have four days more Christmas holiday this year, returning to classes Jan. 6 instead of Jan. 2 as originally scheduled, following action by the County School Board Tuesday.

The extension will include another weekend in the holiday period, allowing pupils to return on Monday instead of the previous Thursday. Schools close after classes Dec. 20.

Pupils have their teachers to thank for the extra vacation since the board's action was in response to numerous requests from teachers for substitutes to teach the few days after the original holiday period ended, the teachers planning to take long trips during the vacation, County Supt. John I. Leonard explained.

Canal Point Forms New Post Of Legion

A new American Legion post known as the Canal Point Post No. 242 held its first official meeting in the Canal Point school auditorium Wednesday night of this week. Organization plans were completed and officers elected, with Leol Lance presiding as acting commander and L. V. McClelland, acting adjutant.

Roy Pope was elected commander of the new post which has already received its charter and is ready to function as a full-fledged Legion post. Other officers chosen were Tommy Griffith, first vice commander; Francis Cross, Jr., second vice commander; Bill Johnson, finance officer and John S. Harrington, adjutant. A group of 50 veterans were present at the meeting to sign up as charter members.

The group voted to meet regularly the first and third Monday nights of each month. The next meeting will be on Dec. 16 at 8 p. m. Meetings will be held in the school auditorium temporarily until a permanent meeting place can be found.

School Bd. Members Study '47 Legislation

School board members from Palm Beach county are in Jacksonville where they are attending an important meeting of the board members and superintendents of the state. They met yesterday and will conclude their discussions today. Their agenda called for consideration of vital matters to come before the 1947 legislature and other school problems throughout the state.

Attending from Palm Beach county are Supt. John I. Leonard and Board Members Carmen Salvatore of Pahokee, George A. Taylor of Belle Glade, Ralph Kettler of W. Palm Beach and George Slaton of West Palm Beach. Mrs. Lauren Hand, who becomes a member of the board the first of January is also in attendance at the meeting.

Mrs. J. W. Wood of Lake Worth visited her husband's parents, Mr. and Mrs. B. W. Wood, in Pahokee Sunday.

Some Post-Season Dope On Alley's Pahokee H. S. Blue Devil Gridders

What was the matter with the Pahokee football squad Thanksgiving Eve is a moot question. Coach Clyde Alley and Uncle Tom Campbell say the boys were simply worn out at the close of a tough schedule. Others contend they became victims of penalty-phobia early in the Pahokee-Belle Glade game and suffered a psychological defeat.

Without entering into these arguments and ignoring Wednesday night's fiasco we are going to salute a great little team, the 1946 Pahokee Blue Devils, and their able coach, Clyde Alley, whose patience and thorough training program produced the surprise eleven of the year.

In the past there have been, perhaps, more outstanding individual stars but never in the school's football history has Pahokee had a better-balanced, harder hitting or smarter playing aggregation than this year's Blue Devil eleven. Fighting against heavier opposition in practically every game, Alley's men outfought and in many cases outfoxed opposing teams to chalk up a splendid record of eight victories, one scoreless tie and one defeat.

The absence of serious injuries, with the exception of Rodney Connell, through the season revealed Coach Alley's ability to teach his men how to take care of themselves. Alley has made the remark that he has never worked with a group of boys more cooperative than was this year's squad. The boys, in turn, had only the deepest respect and admiration of their coach. This mutual respect and affection on the part of players and coach is what makes good football teams.

Just what made the 1946 Blue Devil team click? First of all it was fine team work with every man knowing his job and doing it to the best of his ability.

In the backfield was Thomas Dickson, one of the best Pahokee fullbacks of all time. Dickson's horizontal plunges through center were amazing to watch and were almost always good for that extra yardage when most needed. He was also a good kicker, blocker and tackler and near the end of the season was breaking through for fairly long runs. At quarterback position Wilbur Geiger made an excellent general, using good strategy in most cases in calling plays. He was famed for his quick kicks that pulled the team out of many a hole and his skilled place kicking won Pahokee's first game of the season and accounted for all of the extra points after touchdowns. Geiger also did well in quarterback sneaks and was always a threat to the opposition in broken field running. Pahokee's outstanding breakthrough scat back was Halbrook Rodney Connell who received a serious knee injury early in the Lake Worth game and was sorely missed by the Blue Devils for the remainder of the season. Best defense back was Frank Gillis who uncovered surprisingly ability as a ball carrier as the season advanced and, as the only first string back not graduating, should prove a strong pivot for next year's backfield. Averaging 154 pounds per man.

the 1946 Blue Devil line with James Latham at left end, James Sims, left tackle, J. E. Spooner, right guard, Milton Salvatore, right tackle and Harry Fremd, right end, was, for its weight, one of the best high school forward walls in the State. It was a hard hitting, fast charging line with each man on his toes all the time. It is hard to give individual credit to such a well-balanced group but in farewell we say hats off to Guard J. E. Spooner and Center William Wathers whose work really stood out. Performing capably as reserves were James Scott, John Ogle, Fred Daniels, Floyd Peacock, J. B. Woodham and Huston Connell.

The 1946 Blue Devil team did all of its work on the ground. Considering the fact it had no passing attack it is remarkable that the team came through the season with such a good record. Because of graduation or age the following first string men played their last game of football for Pahokee Thanksgiving eve: Latham, Spooner, Weathers, Salvatore, Fremd, Geiger, R. Connell and T. Dickson. Reserves lost this year included Otis Boland, Lynn Horn and Lawrence Connell.

In passing we also want to salute Robert O. Lampi's fine Pahokee High School Band and majorettes whose entertainment at the half helped to make the football games such colorful and gala affairs. Three cheers also to the vivacious group of girl cheer leaders. A pat on the shoulder to Melvin Pugh for a good job of announcing and another to Olaf Boe for the loan of his public address system.

Gremlins Bad In Newspaper Plants

After flights over enemy territory, our American pilots often told of elf-like creatures, called gremlins, who would cause all sorts of mischief, such as pushing the navigator's pencil and causing the aircraft to lose its way.

The existence of these gremlins may have been news to some folks, but we in the newspaper business have had dealings with them for years and have learned to know them pretty well.

They live in typewriters, type cases and make-up tables, but thrive best in the linotype machines. They are constantly pushing the wrong keys in an attempt to cause errors in the newspaper of their residence.

Now, if the gremlins only stopped there, it would be all right. But they are bright and cunning creatures and vie with one another to cause the most painful and embarrassing errors imaginable.

While the writer was pounding copy in Eustis some years ago, our own crew of gremlins seized upon a large ad extolling the products of a certain meat-packer. The catch line of the ad, in very large type, described a certain ham as a "real treat." But when the last paper was mailed, we were faced with the fact that the gremlins had altered it to read, "a real THREAT."

The shop foreman, poor man, flew into a terrible fit of temper when he discovered the prank, and he spoke in very disrespectful terms about our crew of gremlins. They must have overheard him, for the next week they were determined to out-do themselves in causing even more grievous damage.

All during the week we read proof with special care, but after the last paper had been printed we found to our chagrin that the gremlins had done it again. In reporting a fashionable wedding we had mentioned the fact that the bride wore purple pansies. The gremlins had changed the "s" of pansies to a "t".

How to Stop Worrying

I guess folks in our town do about as much worrying as in yours—over housing and prices, and crops, and jobs—and the little domestic problems that are always coming up.

Dad Hoskins, who's lived to the happy age of eighty, has a simple formula for stopping worry. About every problem, he asks himself: Is there anything I can do about it? If there is, he never postpones making a decision, or taking necessary action.

If there isn't anything he can do about it, he sets aside a "worrying

hour" after dinner, and gets his worrying over in one concentrated period. When that's over, he relaxes over a friendly glass of beer with Ma Hoskins—and they talk about pleasant things together, until bedtime.

From where I sit, that's as workable a formula as you could find... right down to the mellow glass of beer that seems to wink away your worries.

The amount of money paid out to furnish you with telephone service is increasing faster than the amount taken in. That's because telephone materials, wages, services, and new building costs have all gone up tremendously, while telephone rates have remained as low or lower than they were many years ago. Telephone earnings today are not only the lowest in history, but are dangerously low despite a record volume of business. Reasonable earnings are required to safeguard the full usefulness of the telephone for your community.

Too Big A Bite

On the theory that it never hurt a champ to find out he wasn't invincible, it might be pointed out that the junior chamber of commerce bought some valuable experience in sponsoring the recent rodeo. The net loss of \$2,000 may turn out to be a good investment if it serves to produce a more thoughtful attitude among a group of eager young men who have refused to recognize their own limitations. Youthful exuberance is an admirable quality. But encouraged by a series of successes, it tends to get out of hand and becomes a dangerous liability that can produce a lot of headaches.

The Jaycees have earned and enjoyed a full share of public confidence in Fort Myers. Their achievement in last winter's Pageant of Light was applauded by everyone. They were hosts to a state convention generally recognized as the most enjoyable on record. They have pitched in wholeheartedly on many civic enterprises and their efforts have outshone those of any other club.

In appreciation of this record the community will join in regret that the rodeo venture came a-cropper. Financial failure was a consequence not of an unwillingness of members to work but because the undertaking was too large for a town of this size. And the Jaycees, hustlers though they are, were not numerous enough to handle all of the details.

Except for the \$2,000 debt, which the Jaycees are determined to pay off, the whole experience is now water over the dam. It is encouraging, nevertheless, to find a new attitude of realism among the more active junior chamber leadership. Their decision to call a halt on all new projects until the Pageant is completed is very much in the public interest. It is an approach which will preserve for the community the enormous asset it has in the Jaycees. That outfit is too potent a charge to have its shot scattered.—Fort Myers News-Press.

Quattlebaum of Jacksonville, at a double ring ceremony held at the Park Temple Methodist Church in Fort Lauderdale on Monday, Nov. 25. The vows were read by Rev. J. R. Hanger, pastor, as the couple stood before the church altar decorated with white gladioli and flanked with potted palms. A program of pre-nuptial organ music preceded the ceremony.

The bride, given in marriage by W. H. Vann, wore a white tailored suit with black accessories and a corsage of orchids. Around her neck was a double string of pearls and she carried a white prayer book with satin streamers.

Miss Lyndall Allison of Fort Lauderdale was maid of honor and Wallace E. Quattlebaum, brother of the bridegroom, was best man.

Mrs. Quattlebaum is a graduate of Pahokee High School and for several years made her home with Mr. and Mrs. W. H. Vann in Canal Point. She graduated from the School of Nursing at Jackson Memorial Hospital, Miami, last spring.

Pahokee Baptists To See Chart Lesson

The next in the series of sermon teachings based on the chart "Rightly Dividing the Word of Truth", will be presented Sunday night by the pastor of the First Baptist Church of Pahokee. Many are of the opinion that the Bible teaches one final judgement day when all will be in the presence of God there to receive their eternal verdict. Rev. Moberg will show from the chart and the Bible five days of judgement as confronting every human being past, present and future.

The Class Quartet will present a special program. The "Illuminated Cross Meditation Sing" with augmentation by the choir and orchestra will complete the musical program. At the morning hour of eleven the pastor will preach on the subject "Christ Died for the Jew and the Gentile." The Ladies Quartet will sing "The Nail Scarred Hand." The Sunday School will convene at 9:45, and it is hoped that the goal of three hundred will be met. All members and friends of the church are cordially invited. The Training Union with its goal of one hundred will meet at 6:30. O. O. Gilbert and Mrs. W. M. DuBose are the respective leaders.

GOES TO TAMPA

Two weeks ago the Rev. C. A. Moberg, pastor of the First Baptist Church of Pahokee was the speaker at the Youth for Christ Rally, Orlando, Florida. Tomorrow night (Saturday) he will speak at the Youth for Christ Rally in Tampa.

Mr. and Mrs. George M. Belk had as guests the past week his brother-in-law and sister, Mr. and Mrs. D. D. Buell and children of Miami.

New Educational Building Going Up

Construction is now well under way on the new 110 by 40-foot two-story concrete block Educational Building for the Pahokee First Baptist Church. The building will contain 16 classrooms and provide ample space for 400 Sunday school pupils.

To date church officials have been fortunate in obtaining high quality materials for this structure and it is planned to have the first story ready for occupancy within 60 days, according to Wiley Tillis, a member of the church building committee. If progress continues at its present pace the educational building should be completed in six months, he said. N. D. Evans and M. F. George are in charge of the construction.

The educational building is the second of a series of three units planned in the current building program of the First Baptist Church. The first of the series, a handsome 100 by 32-foot Fellowship Hall, also of concrete block construction, was completed in

the spring. After the educational building is finished the construction of a beautiful church auditorium will complete the building program.

CHURCH OF CHRIST SCIENTIST

"GOD THE ONLY CAUSE AND CREATOR" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, December 8.

The Golden Text is: "Lord, thou art God, which hast made

heaven, and earth, and the sea, and all that in them is" (Acts 4:24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "So God created man in his own image, in the image of God created he him; male and female created he them. . . And God saw every thing that

he had made, and, behold, it was very good" (Genesis 1:27, 31 to 1st period).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine Principle, or Spirit, comprehends and expresses all, and all must therefore be as perfect as the divine Principle is perfect. . . Deity was satisfied with His work. How could He be otherwise, since the spiritual creation was the outgrowth, the emanation, of His infinite self-containment and immortal wisdom?" (518:27-29, 519:3).

C. J. Hendry, owner of the Canal Point Liquor Store, announced this week that he had sold the stock to Jack Novak of Miami. Mr. Hendry has leased the building to the new owner who will make his home in Canal Point.

Mrs. Frances Harlow and Mrs. Sara Thomas attended a civic meeting in West Palm Beach last Thursday.

Banquet For Sons And Fathers Success

One hundred and thirty-five men and boys assembled in Baptist Fellowship Hall on Monday night for an occasion of fellowship not soon to be forgotten. The sumptuous feast of baked ham and the appurtenances thereto, served in buffet style, was all one could ask for, thanks to the ladies of the church with Mrs. Wiley Tillis, chairman. Beautiful was the Christmas motif of the poinssettia.

The welcome address was delivered by Fellowship Vice President Claude Shirley. The results of the contest which closed last Sunday were announced by Membership Vice President Thurmond Knight. Tokens of appreciation were presented to Group Captain Paul Watson and his men the pos-

sessors of the highest total, 54 points. Captain J. R. Miller and his workers were a close second with forty nine points. An appropriate award was presented to the group which finished last. For detailed information relative to this, all interested are requested to see Song Leader R. Cowart.

The Male Quartet was at its best, climaxing its program with the singing of the request number "Let the Lower Lights be Burning." The activities of the evening were brought to a mountain top experience when Dr. Russell Williams, introduced by Elsworth Keen, spoke on "Happiness." This gifted man in keeping with the occasion so presented his theme as to leave with man and boy alike something to be remembered a long time.

Danny Mullis and H. C. Jackson celebrated their birthdays and were honored accordingly. Angus

Cowart received the oldest son award. Tommy Knight the youngest. M. F. George was presented the oldest man award. Although 74 years of age, certainly this man of much activity and spirit fulfills the adage "one is as old as he feels." The invocation was delivered by Elsworth Keen and the benediction by O. O. Gilbert. Lawrence Jaudon, president of the class, was the master of ceremonies. Rev. C. A. Moberg, pastor and teacher was at the piano. Greeters were Windy Willis and Wiley Tillis.

MEN'S BIBLE CLASS

With 77 in attendance last Sunday the goal of 100 for the Pahokee Men's Bible Class is nearing fruition. The hoped for enrollment of 200 is gradually becoming a reality thanks to the increase in membership each Sunday. This Sunday the usual splendid musical program by the Class Quartet will be presented. The teacher Rev. C. A. Moberg will present the lesson "Do this in remembrance of Me." The threefold time element involving "Commemoration, Meditation and Anticipation" will be dwelt upon. A most cordial invitation is extended to all unaffiliated men of this area and visitors. The class meets Sundays at 9:45 in Fellowship Hall on Bacom Point Road.

Church News From Canal Pt. Methodists

The Morning Worship Service of the Canal Point Methodist Church at 11 A. M. will be built around the theme of "Our God Is Able" from the text in Dan. 3:17 "Our God whom we serve is able." Sunday School with a class for every person preceded the service at 10:00 A. M. N. V. Maxson is the Superintendent.

The Evening Service will begin at a new time during the winter months. From next Sunday to the first Sunday in March the service will be from 7 to 8 P. M. This change was requested and approved by the large majority of the congregation. The Sermon-theme for the evening is "I Am Not Ashamed!"

The Official Board and Sunday School Board met in joint session at the parsonage on Tuesday night to discuss the work of the Christmas Season. Definite plans were made for all Christmas services in the church. These shall be announced next week. The Music Committee met at the parsonage Wednesday evening to plan the special Christmas music for the services. Also being undertaken are special projects for the Junior and Youth Fellowships.

At the Communion Service last Sunday night a large group gathered to share the Installation Service of the new officers of the Woman's Society of Christian Service for the coming year. After an impressive and beautiful consecration service in which all officers were present, the Sacrament of Holy Communion was shared. Those officers installed were: Mrs. A. R. Harrington, President; Mrs. C. L. Stuart, Vice-president; Mrs. Kendrick Buchanan, Corresponding Secretary; Mrs. Joe Parker, Recording Sec'y; Mrs. John Harrington, Treasurer; and Divisional Secretaries: Mrs. T. W. Griffith, Christian Social Relations and Local Church Activities; Mrs. Frank Wilson, Missionary Education and Service; Mrs. Earl Maxson, Student Work; Mrs. William Blair, Youth Work; Mrs. Osceola Upthegrove, Children's Work; Mrs. Harold Rosenberg, Literature and Publications; Mrs. Pratt Pope, Spiritual Life; Mrs. E. M. Bart, Supplies. Also taking part in the service were Mrs. George Kingsley who presented the Scripture Message and Mrs. Francis Cross who served as Church and Society Representative.

The District Conference of the Methodist Church will be held at Trinity Methodist, Miami, on Friday, Dec. 13, at 9 A. M. Those entitled to attend this outstanding service are the Charge Lay Leader, Delmar Hooks, Sunday School Superintendent N. V. Maxson, Mrs. O. H. Coleman as alternate for the president, the WSCS, Roswell Harrington as District Steward, The MYF President Elwood Dart, and Delegates-at-large Bill Johnson and Mrs. Frank Wilson, alternates, Mrs. D. L. Hooks and Mrs. W. T. Blair.

The Canal Point MYF was well represented at the recent Sub-District Rally of the Glades area

Methodist Youth Fellowship at Moore Haven.

The Junior Fellowship has undertaken the cleaning and decorating of the two lots adjoining the parsonage in preparation for the building of the new Sunday School Building. The MYF has obtained permission to clear the churchyard and build a barbecue pit for churchwide use.

Packed into the back seat of the minister's car, eleven members of the Junior Fellowship had a fine time on a trip to the ocean last Friday. The truck promised for the occasion broke down a few days before, so rather than cancel the proposed picnic the boys and girls pledged full cooperation and squeezed into the car for a ride and picnic full of fun. Traveling first to West Palm Beach and then to Boca Raton, they built a campfire on the beach and cooked their lunch. A free period of play followed. . . great interest being showed by some of the boys and girls in making collections of the unusual sponges that are found there.

In the middle of the afternoon the group journeyed to Lake Worth for an hour and a half of fun in swimming and playing on

the beach before returning home.

Those who attended were Joe and Buddy Parker, Martha and Mary Hall, Frances Wilson, Joann Edenfield, Norman Coleman, Hal Rosenberg, Russell Dart, Gene Buchanan, and Bonnie Miller.

Mrs. Elliott In Charge Glades Tag Agencies

Automobile tag agencies in the Glades were opened this week, according to an announcement by Mrs. B. Elliott who will be in charge of tag sales. The office in Pahokee will be open on Thursday, Friday and Saturday and the one in Belle Glade will be open on Monday, Tuesday and Wednesday. Office hours are 9 a. m. to 4 p. m.

Mrs. Elliott had not planned to take charge of the tag sales this year but illness of the appointed deputy of Tax Collector Sproul called for a substitution at the last minute. Mrs. Elliott having had a great deal of experience volunteered to take over the agency again. Stetson O. Sproul, jr. will be her assistant and the first of January plans call for Mrs. Betty Taverna to be in the Glades offices as an assistant.

Waring Family Is Honored With Party

Attending were Mr. and Mrs. J. A. Dulany and son, Mr. and Mrs. D. W. Cunningham and children, Mr. and Mrs. Duncan Padgett and children, Mr. and Mrs. O. D. Carpenter and children, Mr. and Mrs. Ralph Grimes and daughter, Mr. and Mrs. H. J. Anderson, Mr. and Mrs. Jess M. Elliott and sons, Mrs. C. T. Howes, Mrs. C. A. Shive, Mrs. Phillips, Albert Herron, Jack Major and Chandler McIlwain.

Members of the Legion Auxiliary of Fred and Percy Mansfield Post 90 who were unable to attend the meeting Monday night and who have gifts for the "Joy Shop" project for the benefit of disabled veterans are asked to take gifts to

Mrs. John E. Wilson at the Pure Oil Station on Canal Point Road or to Mrs. John T. Pickett, Sr., on Bacom Point Road. These gifts must be received before Dec. 15 in order that disabled veterans get them before Christmas.

Mrs. A. J. Rayan, state Auxiliary president, will be guest speaker at this joint meeting.

IS YOUR LIVER CRYING FOR HELP

because of constipation or faulty digestion? If you feel bilious, sour, bloated with gas, headachy, blue, grouchy, you may be putting too big a burden on your liver. Retained undigested food becomes putrefactive, causes toxins, which overload the liver, keeping it from working properly. Then is the time to relieve your tired liver by letting Calotabs help nature sweep the putrefactive and partially digested matter from your stomach and intestines. Nothing acts just like good old Calotabs. Use as directed. 10c and 25c at your druggists.
